**November 30th

* Please note we are trying an end time of 7:30pm this year so we end at the same time as middle school youth group and younger kids can get home a bit earlier. We are testing this slightly shorter time for our group the first semester and will gather feedback on how families feel about it. If needed, we can adjust the end time back to 7:45pm at a later date.

** Also note the November 30th date is a week later than it should be due to Thanksgiving Break the week before.
